

## Current Positions with NorthStar Anesthesia

---

*For New-Grads and Experienced Providers*

**190k (NEW GRADs) in Lagrange, GA.** 2-year commitment.

Schedule: 4 – 10s or flex scheduling comprised of two weeks of 10s and two weeks of 8s. 3 days of OR call a month which includes an occasional weekend (30min callback with on-site lodging provided if you choose to live beyond the callback radius).

Work to your full scope in a highly autonomous practice. CRNAs place own blocks, lines, etc. Don't have these skills? We will teach you! No AAs. No hearts or heads. Ability to make additional compensation with additional call.

Full benefits with CEU stipend and 6 weeks PTO. No-CALL option for experienced providers. Additional compensation with years of experience.
